Elstree

Eden House is one such development, perfectly positioned to benefit from its magnificent tree-lined environment and close proximity to open parkland. Large, isolated residences give solitude, exclusivity, and charm in equal measure on Barnet Lane, long considered as one of Elstree's best roads.

Elstree is excellent for luxury living, and the village itself is only a short walk away, offering all of the necessities. Borehamwoods Retail Park, which lies nearby, is home to a variety of household names, including M&S Simply Food.

Radlett, a prominent adjacent village, with more stores and services. The long-established Battlers Green Farm, recognised for its picturesque farmyard setting, is home to over twenty distinctive stores, including the long-established Battlers Green Farm Shop, as well as other prominent merchants such as Osprey London and Blacks of Sopwell, to mention a few.

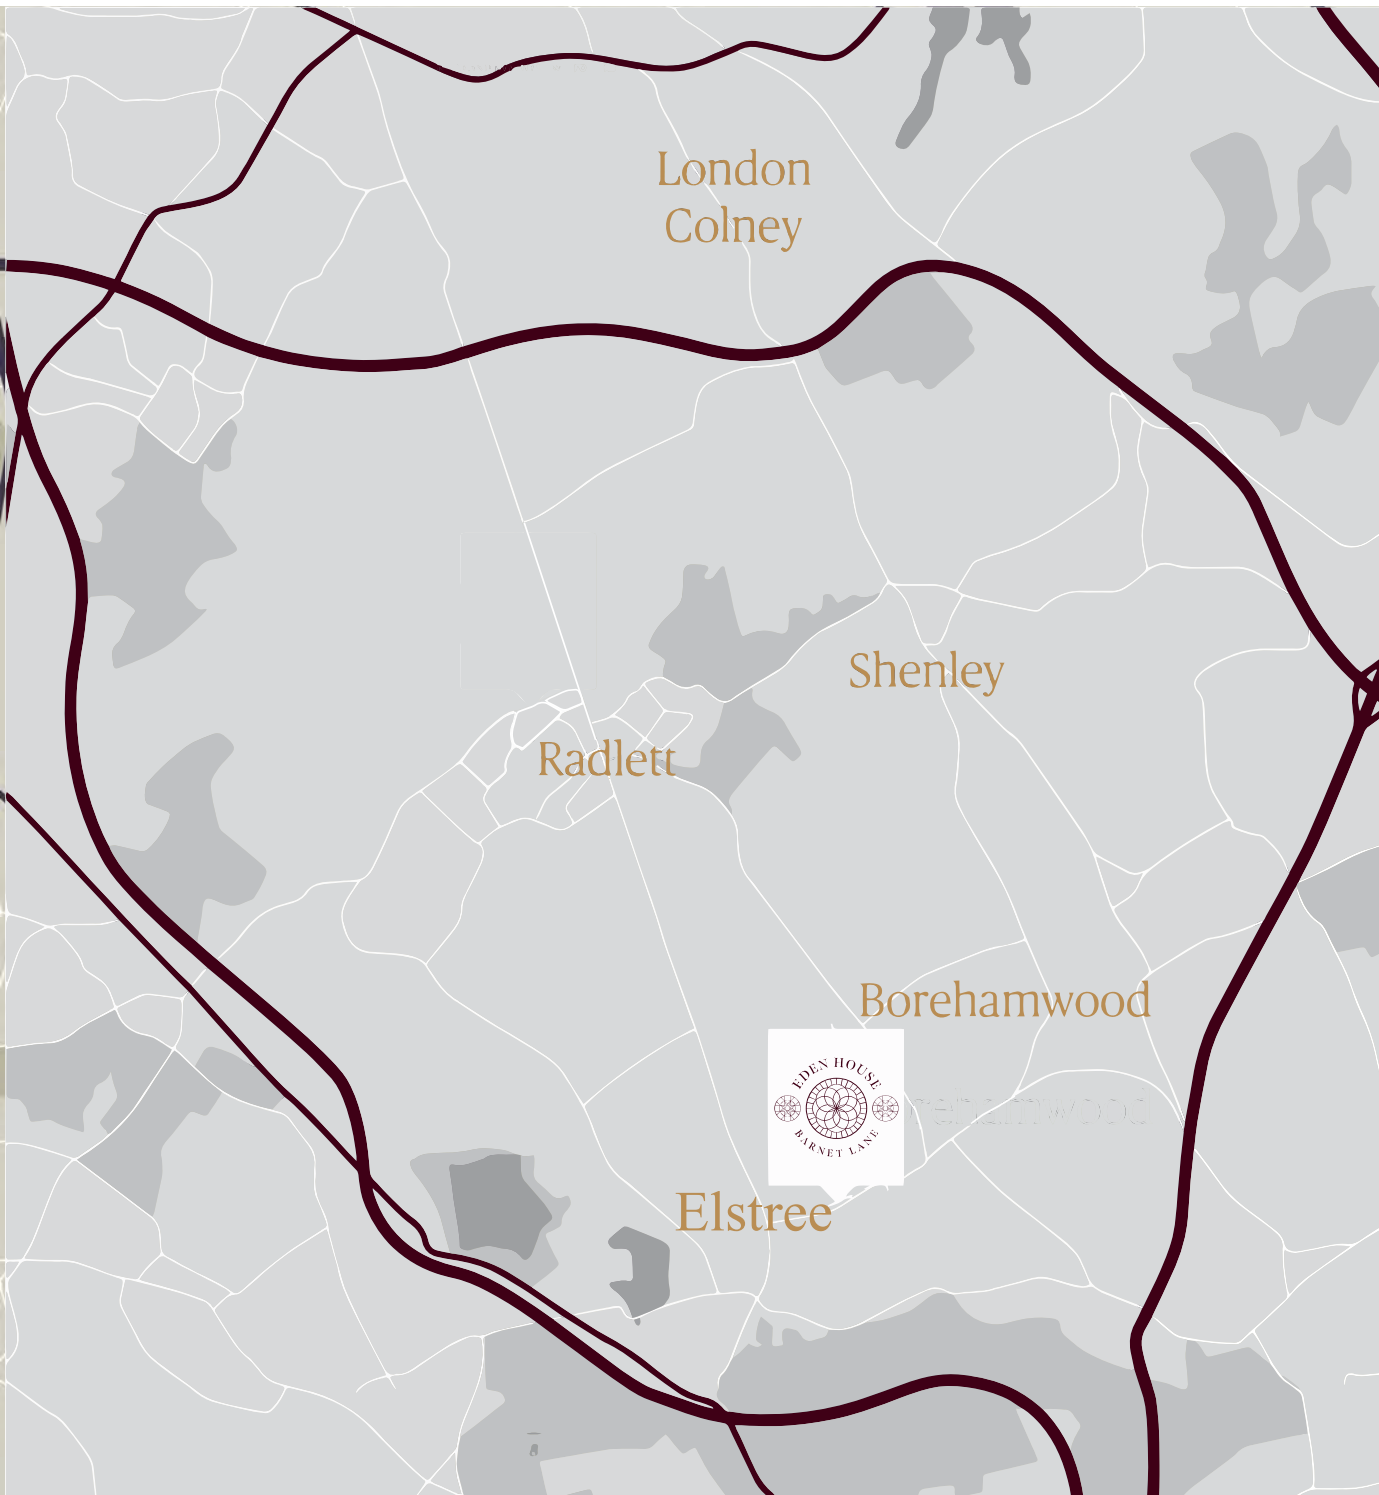

Local Amenities

Aldenham Country Park's 175 acres of meadows and forest are just a few minutes away and ideal for strolling, cycling and exploring. On the quiet nearby reservoir, sailing and fishing are offered.

The neighbourhood is brimming with recreational opportunities, with a variety of clubs catering to a wide range of interests. Golfers will be spoiled for choice, with Hartsbourne Country Club in Bushey and Porters Park Golf Club in Radlett being especially popular. Elstree's Village Gym and Bushey's David Lloyd Club are only two of the nearby health clubs and sports grounds. Premier League football at Watford and Premiership Rugby at Allianz Park provide plenty of entertainment for spectators, while the proximity to central London provides a plethora of sporting opportunities.

Elstree Aerodrome is an excellent site to go plane-spotting or take flying lessons if you're looking for a change of scenery.

Well Connected

The M1, A1(M) and M25 motorways linking you with anywhere and everywhere are just a short drive. The train station for connections to the West End and City is a short walk. Elstree's private airfield is just 5 minutes away (and heathrow is 40).
