

TRENT PARK

THE CHAPLIN COLLECTION

Taking its name from one of Trent Park’s most famous guests when it was a magnet for the celebrities of the 1930s, The Chaplin Collection is a beautifully crafted edition of homes set in the heart of Trent Park.

The focus on quality homes in a stunning historic setting is transforming Trent Park into a vibrant and successful community. With excellent connections from Oakwood and Cockfosters, it provides a quiet escape from London.

THE CHAPLIN COLLECTION

The original grounds of TRENT PARK have been lovingly restored to enhance the lives of the new residents. *The spectacular* Daffodil Lawn, the *exquisite* Japanese Garden and the *tranquil lake* are just some of the unique features woven throughout this historic landscape.

The swimming pool and orangery have also been brought back to life as The LAWN CLUB, whose *exclusive* amenities also include a gym and tennis court.

The siteplan is indicative only and subject to change [and subject to planning]. In line with our policy of continuous improvement we reserve the right to alter the layout, building style, landscaping and specification at anytime without notice.

Many of Trent Park's garden features were laid out in the 1920s and 1930s, when the Mansion House was a focus for high society gatherings. Berkeley has reinstated and restored the gardens to enhance the rich quality of life enjoyed by today's residents.

DAFFODIL LAWN

The renowned socialite Sir Philip Sassoon transformed Trent Park Mansion House and gardens in the early 20th century, planting a million daffodil bulbs and creating The Daffodil Lawn, a now protected area and one of the largest displays of daffodils in London.

EXCEPTIONAL
SURROUNDINGS

JAPANESE GARDEN
& COUNTRY PARK

The Japanese Garden has streams and bridges and ornamental planting, and comes into its own every Spring. In contrast, the Country Park provides over 400 acres of wild woodland to explore.

LONG GARDEN
& WISTERIA WALK

The reinstatement of Sassoon's Long Garden provides the perfect place for a relaxing stroll. In the Wisteria Walk, early summer brings cascades of blue-purple flowers. Winston Churchill was photographed here, and painted it too.

YOUR EXCLUSIVE RETREAT

Heated Swimming Pool

TRENT PARK

THE LAWN CLUB

The *superb* range of facilities include four outdoor TENNIS COURTS with a *fully equipped* GYM located in the restored orangery building overlooking the outdoor *heated* SWIMMING POOL.

TENNIS COURTS

Life in Trent Park is about a naturally healthy way of life, with activities that you can enjoy at your own pace. Discover the tennis courts located in a peaceful woodland setting.

GYMNASIUM

The rejuvenated orangery is an aesthetic delight, where you can stay active with everything you need in one place. In these opulent surroundings, you can work on the body and mind.

Your attention is drawn to the fact that in rare circumstances it may not be possible to obtain the exact products or materials referred to in the specification. Berkeley reserves the right to alter, amend or update the specification, which may include changes in the colour, material and/or brand specified. In such cases, a similar alternative will be provided. Berkeley reserves the right to make these changes as required. A number of choices and options are available to personalise your home. Choices and options are subject to timeframes, availability and change.

CHOICES OF KITCHEN SPECIFICATION

SILK

Timeless neutrals offer an unsurpassed softness whilst touches of grey hint towards the contemporary within a traditional setting.

SLATE

The elegant juxtaposition of rich colour against neutral tones retains warmth and tranquility, creating the perfect place to call home.

THE SILK KITCHEN

The subtle pale tones of the Silk palette create a bright and open space.

THE SLATE KITCHEN

Bold and emphatic, Slate gives the kitchen strong character with dark toned cabinets.

BATHROOM / SHOWER ROOM

The soft greys when taken to the bathroom, ensuite tiling and fitted furniture, produce a contemporary feel.

CUSTOMER RELATIONS

We want to ensure you are happy with every aspect of your new home, so we look after our customers at every stage with expert advice, attention to detail and continuous communication. From exchange of contracts, your dedicated Berkeley Customer Service Representative will help with any questions you may have.

Here is what you can expect:

- From the day you reserve – until the day you complete – we’ll update you regularly on progress
- You will be given your own log-in credentials at reservation to access your personal MyHome Plus account where you will be able to view the development, property, construction progress and buying process information
- Sustainability is high on any responsible builder’s agenda. We promise to fully communicate the environmental features of our developments to all of our customers
- Our Customer Relations Manager will present a selection of designer-conceived colour palettes to help you find the interior finish that most suits your style
- We’ll meet you on site to demonstrate all the functions and facilities of your new home
- We personally hand over your key on completion day and make sure everything is to your satisfaction
- The 2-year warranty with 24-hour emergency service has a dedicated customer service telephone number and from the 3rd to the 10th year you’ll have the added security protection of a 10-year build warranty

Finally we’ll contact you after 7 days, at 4 weeks and 7 months after you move in, to make sure everything continues... perfectly.

PEOPLE, PLANET, PROSPERITY

Sustainability is fundamental to Berkeley's ethos. In simple terms, we want to ensure the long-term health, wellbeing and prosperity of people and the planet. There are a range of ways we are managing and minimising the environmental impact of our operations and delivery of homes and communities. These are the initiatives we have implemented at Trent Park.

NATURE AND BIODIVERSITY

Parkland, trees, flowers, ponds, hedges, gardens – these are the fundamentals of a thriving natural environment that can be enjoyed by everyone. They are all part of our commitment to net biodiversity gain on our developments. Within and around Trent Park, we have created natural habitats that encourage wildlife to flourish. We are working with Murdoch Wickham, HTA and Historic England to engage residents in the natural landscapes that we have created.

WASTE AND RECYCLING

We actively encourage all residents to reduce their waste wherever possible. In addition to external recycling bins, we provide integrated recycling bins in kitchens to make it easier to separate and recycle waste.

WATER EFFICIENCY

Our homes are designed to high water efficiency standards and are fitted with dual flush WCs, and low-flow taps and showerheads which use less water without compromising convenience and comfort. We also suggest simple steps to reduce water consumption, such as not leaving taps running unnecessarily.

ENERGY EFFICIENCY

Efficient use of electricity and gas helps lower fuel bills and reduces carbon emissions. Our homes have been designed to use less energy than a standard home. They have enhanced levels of thermal insulation and air-tightness, and have been fitted with a master light switch by the front door. All lighting is low energy and kitchen appliances have high energy efficiency ratings.

NOISE REDUCTION

We can't eliminate noise, but we consider the impact of noise in the design of our homes. We consider external noise, such as from nearby roads, and internal noise including the transfer between rooms and floors. We incorporate measures to reduce the different types of noise wherever possible to create a quieter environment.

CLEAN AIR

It is hard to avoid polluted air, particularly in our cities. Throughout Trent Park we have planted trees, shrubs and flower beds to help create a cleaner air environment. Within our homes we may provide mechanical ventilation to filter the internal air.

SUSTAINABLE TRANSPORT

A residents-only shuttle bus runs from Trent Park to Oakwood Station. We also provide secure cycle parks and car charging points to encourage the use of sustainable methods of transport, to help reduce air pollution around the development and the wider area. These active methods of transport also help encourage healthier lifestyles.

STEWARDSHIP

Maintaining our communal open spaces and facilities in perpetuity is an important benefit to the whole community. We work with Lee Baron and residents to ensure the development remains in pristine condition.

FUTURE-PROOF DESIGN

From the early stages of design, we assess how our homes will stand up to the future effects of climate change, such as how they will be affected by higher summer temperatures, periods of drought, or more extreme rainfall. We are constantly researching how we can ensure our homes and developments are more resilient to these extremes to understand what new innovative technologies we should use in our future designs.

DESIGNED FOR LIFE

At Berkeley, we are committed to creating great places where people love to live, work and relax. Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance wellbeing and quality of life for residents and visitors. Where people feel a sense of community.

TRENT PARK

CUSTOMERS DRIVE ALL OUR DECISIONS

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need – well-built homes, in a pleasant and safe neighbourhood, with plenty of amenities and good transport connections. Then we apply that understanding to all our planning and design decisions.

And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

CHOICE AND DIVERSITY

No two Berkeley customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast – we build in locations our customers love. And whatever home you are looking for, whether that’s a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

QUALITY FIRST TO LAST

Quality is the defining characteristic of Berkeley developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from Berkeley you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year build warranty.

GREEN LIVING

For Berkeley, sustainability isn’t simply the latest buzzword. We are committed to creating a better environment within our developments and in the areas that surround them. That’s why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. All our homes are designed to reduce water and energy consumption, and to enable residents to recycle waste.

COMMITMENT TO THE FUTURE

When we plan a development, we take a long-term view of how the community we create can thrive in years to come. Our aim is to permanently enhance the neighbourhoods in which they are located, through intelligent design, quality landscaping, sympathetic architecture or restoration, and high standards of sustainability. We don’t just build for today; we build for the future too.

TRANSFORMING TOMORROW

Our Vision 2030

At Berkeley Group OUR PASSION and purpose is to build quality homes, *strengthen communities* and IMPROVE people’s lives.

We are innovating, pushing boundaries and taking action to ensure we have a long-term, positive impact that is good for our customers, the communities we touch, our business and the world around us.

We transform underused sites into exceptional places and we’re also transforming the way we work; embracing technology and raising standards, as we continue to deliver an outstanding customer experience and create high-quality homes that delight our customers.

Our Vision 2030 is our 10-year plan which sets out how we will achieve this.

TRENT PARK

TRANSFORMING PLACES

Working with local people and partners we create welcoming and connected neighbourhoods where you can be proud to live.

TRANSFORMING LIFESTYLES

Taking action on climate change and giving you ways to live more sustainably. We’re building efficient homes that use less energy over their lifetime, with sustainable travel choices on the doorstep.

TRANSFORMING NATURE

Creating beautiful places with habitats that help nature to thrive, meaning that every site is left with more nature than when we began.

TRANSFORMING FUTURES

Helping people to reach their potential through apprenticeships and training, and programmes supported by the Berkeley Foundation.
