The accommodation is highly versatile and well balanced, featuring an elegant reception room and a spacious open-plan super room. These flexible living spaces are ideal for formal entertaining and relaxed family gatherings.

At the heart of the home lies a stunning bespoke shaker-style kitchen, individually designed and crafted to an exacting specification. A tiled pathway leads to a versatile garden studio, currently used as a combined office and gym, providing additional functional space for work, leisure, or fitness.

The gated carriage driveway, fitted with electric gates, provides parking for multiple vehicles and is framed by landscaped borders, and a stunning wisteria around the door and window, combining practicality with an attractive, welcoming frontage.

Location, Amenities & Transport: Eversley Park Road is situated in the highly regarded Winchmore Hill area (N21), a well-established North London suburb known for its attractive residential streets, strong community feel, and excellent local amenities. The nearby village centres of Winchmore Hill and Grange Park offer a range of independent cafés, restaurants, and everyday shopping facilities, combining convenience with a relaxed neighbourhood atmosphere.

The area is particularly popular with families due to its proximity to several well-regarded schools. It is in the catchment for sought after Eversley Primary and Highlands Senior Schools (both rated OFSTED outstanding), as well as Grange Park and Merry Hills Primary and Southgate Senior School. It is also well placed for St Paul's Primary and independent options such as Keble Prep School and St Monica's with the school's bus stopping nearby. Residents also benefit from nearby green space at Oakwood and Grovelands Park, which both offer lakeside walks, open lawns, and recreational facilities.

Transport connections are excellent, with both Winchmore Hill and Grange Park railway stations a short walk away providing regular services to Moorgate in approximately 25–30 minutes. Additional travel options include nearby Underground stations at Oakwood and Southgate, several local bus routes, and convenient road access to the North Circular Road and M25 motorway, making commuting into Central London very quick and straightforward.
