The Development

Home Farm Court is a boutique gated development nestled in the heart of Newgate Street Village, comprising five detached homes.

The area offers peaceful village living, surrounded by Green Belt countryside with a mix of farmland, woodland and open fields. It is close to Broxbourne Woods and other well-known walking areas, making it popular with those who enjoy access to outdoor space while remaining within easy reach of local amenities.

The surrounding area provides everyday services, including shops, cafés, a primary school and a railway station with direct trains to London Moorgate. Road connections are also convenient, with the A10 and M25 accessible within a short drive.

ABOUT THE DEVELOPER

Islandbridge Properties Ltd. is a forward-thinking property development company dedicated to transforming underutilised sites into exceptional residential and mixed-use spaces. With a strong focus on design integrity, build quality, and long-term value, the company manages every stage of the development lifecycle, from acquisition and planning through to construction and completion.

Working closely with architects, consultants, and contractors, Islandbridge delivers carefully considered schemes that maximise both aesthetic appeal and investment performance. Each project is driven by a commitment to intelligent design, efficient delivery, and creating spaces that enhance their surroundings while meeting modern lifestyle demands.

The result is a portfolio of developments defined by quality craftsmanship, attention to detail, and sustainable long-term appeal.
